House Meter Affidavit

Permit # _____

Date: _____

I, _____ owner of the property located at:

_____ in the City of Providence do hereby apply for a house meter to control electrical circuits that supply power to common areas only.

By signing this affidavit I fully agree that this meter will only be used for the common areas. Any alterations to this service will only be made after the Electrical Inspection Division has issued a new permit.

Be aware that section 2704.1 of the Rhode Island State Building Code states: "It shall be unlawful to use or allow the use of, or to supply current for electrical system in a building or structure unless the required certificate of inspection and permit have been issued by the code official"

I fully understand that if the conditions of this affidavit are broken and this service is altered without the proper permit, power will be shut off to the building without notice. I accept full responsibility for this action and I understand neither the City of Providence or the Electrical Inspector can be held responsible for any liability for losses due to this action.
