Section 21-182—Apportionment of taxes

- (a) The following tax classification plan is hereby adopted with the following limitations:
- (1) The designated classes of property shall be limited to the three (3) classes as defined in subsection (b).
 - (2) The tax rate for Class 2 shall not be more than two (2) times the tax rate of Class 1; the tax rate for Class 3 shall not be more than three (3) times the tax rate of Class 1; and the tax rate for Class 2 shall not be more than three and one-half (3½) times the effective owner-occupied tax rate of Class 1, whether by homestead exemption or separate rates.
 - (3) The provisions of chapter 35 of title 45 relating to property tax and fiscal disclosure apply to the reporting of, and compliance with, this classification plan.
- (b) The Classes of property within this plan pursuant to RIGL 44-5-11.18:
- (1) *Class 1A.* Residential real estate consisting of fewer than six (6) dwelling units, land classified as open space, and dwellings on leased land including mobile homes. This class includes residential properties containing partial commercial or business uses with no more than five (5) dwelling units; provided, that for the properties with both residential and commercial or business uses, the residential tax rate will be applied to the residential portion and the commercial tax rate will be applied to the commercial portion. A homestead exemption is authorized for eligible properties within this class as defined in subsection (d):
 - (2) *Class 1B:* Residential real estate consisting of six (6) to ten (10) dwelling units: provided that the tax rate for residential use is applied to the residential portion and the commercial tax rate will be applied to the commercial portion.
 - (3) *Class 1C:* Residential real estate consisting of more than (10) dwelling units: provided that the tax rate for residential use is applied to the residential portion and the commercial tax rate will be applied to the commercial portion.

(4) *Class 2.* Commercial and industrial real estate, residential properties containing partial commercial or business uses; Properties containing partial commercial or business uses and residential real estate as defined by Class 1A, 1B, or 1C those residential dwelling units shall be included within this class. The appropriate residential tax rate will be applied to that portion of the property and the commercial tax rate to the commercial portion of the property.

(5) *Class 3.* All ratable tangible personal property.

(c) The Tax Rates within this plan are as follows:

(1) The non-owner-occupied tax rate applicable to Class 1A shall be \$14.40 per \$1,000 of assessed value. For eligible properties as defined in subsection (d), owner-occupied rate shall be \$8.25 per \$1,000 of assessed value.

(2) The tax rate applicable to Class 1B shall be \$24.50 per \$1,000 of assessed value.

(3) The tax rate applicable to Class 1C shall be \$27.75 per \$1,000 of assessed value.

(4) The tax rates applicable to Class 2 shall be \$28.80 per \$1,000 of assessed value.

(5) The tax rates applicable to Class 3 shall be \$53.40 per \$1,000 of assessed value.

(d) *Homestead exemption or owner-occupied eligibility:*

(1) To be eligible for the homestead exemption or the owner-occupied rate, effective as to the assessment date of December 31 at midnight, an applicant must file with the city assessor no later than March 15 an application, together with a declaration, and present evidence, under oath, as to the owner-occupied and/or non-owner-occupied status together with any other proof of residency and ownership and to provide that information in any manner which may be required by the city assessor.

(2) Only natural person(s) are qualified to receive a homestead exemption or owner-occupied rate. Real property, which is partially or wholly owned by a business, an institution, a nonprofit organization, a financial institution that has foreclosed on real estate, including, without limitation, HUD and Rhode Island Housing and Mortgage Finance Corporation, or any other such public or private entity, do not qualify for a homestead exemption or owner-occupied rate.

(3) For good cause, the city assessor may, with advice of the board of tax assessment review accept and grant:

(i) Applications for homestead exemption or owner-occupied rate after the filing deadline for the current or previous year's taxes only

(ii) Applications from an entity and its shareholder(s)/member(s)/owner(s), as the case may be, upon receiving a sworn declaration from said person(s) that he/she/they primarily resided in the subject real estate as of the applicable assessment date, and that the ownership of the subject property is in said entity's name solely for estate purposes.

(4) Applicants may only qualify for one (1) homestead exemption or owner-occupied rate in the city at any one point in time. In addition, an owner of real estate in the City of

Providence must meet all of the following requirements in order to qualify for a homestead exemption or the owner-occupied rate:

- (i) Neither the applicant nor the applicant's spouse is receiving a homestead exemption or an owner-occupied rate for another piece of real property, located elsewhere in the State of Rhode Island, or in any other state of the United States, for the same period of time the owner is seeking the homestead exemption for property owned in Providence; unless during that time the owner is either legally separated or divorced from the spouse during some or all of the period in which they are claiming more than one homestead exemption or owner occupied rate;
 - (ii) The homestead exemption or owner-occupied rate attaches to the owner(s) of the real property not to the real property itself.
 - (iii) The city assessor shall deny an application for the homestead exemption or owner-occupied rate if the city assessor determines that an execution of record based upon a judgment of the housing court for a real estate code violation(s) against the applicant remains unsatisfied.
 - (iv) Upon purchase of a residence, a homeowner may apply for a homestead exemption or owner-occupied rate as of the date of purchase for the current tax year, notwithstanding the fact that applicant did not own the property as of December 31 of the prior year. The exemption will be granted pro rata for the number of days the applicant owns the property during the year in which the home is purchased. In the event the subject property is sold or transferred during the year for which the homestead exemption or owner-occupied rate is claimed, the homestead exemption or owner-occupied rate is removed for that portion of the year following the sale or transfer should the new buyer not apply and be granted a homestead exemption or owner-occupied rate. The buyer or transferee shall be liable to the city for any tax benefit wrongfully received after the date of sale or transfer.
 - (v) If the taxpayer knowingly gives misinformation as to ownership and/or occupancy of the real estate and/or ownership of motor vehicles on his/her application, the city assessor may, in such event, remove the homestead exemption or owner-occupied rate and recalculate the tax for the period in question and in addition charge the taxpayer the maximum interest permitted by law. If the taxpayer provides incorrect information, knowingly or not, the city assessor may remove the homestead exemption or owner-occupied rate and may impose back taxes up to the full amount owed for the period in question.
- (5) The city assessor is empowered to promulgate any further rules and regulations which he/she deems necessary to carry out the intent and purpose of this section as it relates to the homestead exemption or owner-occupied rate.
